TECHNICAL CLARITY, DESIGNED FOR YOU

EVERY SURFACE IS DEFINED BY A DEEPER UNDERSTANDING OF ITS NATURE — WHERE PERFORMANCE IS NOT ONLY MEASURED, BUT SEAMLESSLY EXPRESSED. OUR TECHNICAL ICONS EMBODY THIS PHILOSOPHY, DISTILLING COMPLEX ATTRIBUTES INTO A QUIET, INTUITIVE LANGUAGE OF CLARITY.

FROM STRENGTH AND RESILIENCE TO FINISH AND ENVIRONMENTAL HARMONY, EACH ELEMENT IS REVEALED WITH PURPOSE. A SYSTEM OF SUBTLE PRECISION, DESIGNED TO GUIDE SELECTION WITH CONFIDENCE — AND TO ENSURE EVERY CHOICE ALIGNS EFFORTLESSLY WITH THE VISION OF THE SPACE.

يُعـرَّف كل سـطح بفهـمٍ أعمـق لطبيعتـه، حيـث لا يُقـاس الأداء فحسـب، بـل يُعبَّـر عنـه بانسـيابية ووضـوح. وتجسّـد رموزنـا الفنية هـذه الفلسـفة، مـن خلال اختـزال الخصائـص المعقّدة فـي لغة بصريـة هادئـة وواضحة. من القوة والمتانـة إلى التشـطيب والانسـجام مع البيئـة، تُعرض كل خاصيـة برؤية دقيقـة ومقصـودة. إنه نظام من الدقـة الهادئة، صُمّـم ليوجّه الاختيـار بثقة، ويضمن انسـجام كل قـرار مع رؤية المسـاحة.

DIGITAL RELIEF PRINTING

Crafting Depth & Detail

Digital Relief Printing (DRP) brings a new dimension of realism to our porcelain surfaces. Through advanced digital technology, each tile is crafted with precisely elevated textures that mirror the depth and character of natural materials. This technique enhances visual richness, elevates the tactile experience, and delivers designs that feel as authentic as they look.

تقنيـة الطباعـة الرقميـة البـارزة (DRP) يمنـح بلاط البـورسلان بُعـداً جديداً مـن الواقعية. فهـي تعتمد على تكنولوجيـا متطـورة تُنتج طبقات بـارزة دقيقة تحاكي التفاصيـل والغنى الموجودين فـي الخامات الطبيعية. تعـزز هـذه التقنيـة جماليات الملمـس وعمق التصميـم، لتمنح كل بلاطـة حضوراً أكثر فخامـة وأناقة.

POLISHED MATT FINISH

Soft Touch With Premium Feel

Polished Matt is an advanced surface technology that combines the smooth elegance of polished finishes with the soft, natural look of matte. It delivers a refined aesthetic with low reflectivity, making it ideal for contemporary spaces while maintaining high durability and easy maintenance.

تقنيـة Polished Matt هـي معالجـة سـطحية متطـورة تجمـع بيـن نعومـة ولمعـان الأسـطح المصقولة والمظهـر الهـادئ للطابـع المطفـي. تمنـح مظهـرًا راقيًـا بانعـكاس منخفـض، ممـا يجعلهـا مثاليـة للمسـاحات العصريـة مـع الحفـاظ علـى المتانـة وسـهولة التنظيـف.

In wider layouts, Rustic Stone Brown develops a strong visual rhythm enhanced by its matte finish, allowing light to settle softly across its textured surface while maintaining depth, contrast, and a durable presence built for outdoor performance.

مع الإمتداد، يكوّن بورسلان روستك ستون براون إيقاع بصري واضح يعززه السطح المطفي، حيث تستقر الإضاءة بهدوء فوق التفاصيل وتظهر التباينات بشكل متزن، ليقدم حضور قوي وأداء يعتمد عليه في البيئات الخارجية.

Rustic Stone reveals a layered, weathered surface where faded mineral tones and scattered textural traces come together, forming a composition that feels aged by time rather than designed, giving the space a raw, honest, and quietly expressive foundation.

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Rustic Stone	Porcelain Tiles	Matt	Rectified	Outdoor	6

In larger outdoor applications, Rustic Stone builds a subtle yet confident presence, with its matte finish controlling light reflection and allowing the textured surface to emerge gradually, creating a space that feels balanced, contemporary, and effortlessly durable.

مع الإستخدام في المساحات الواسعة، يكوّن بورسلان روستك ستون حضور متزن وواضح، حيث يساهم السطح المطفي في تهدئة الإضاءة وإبراز التفاصيل تدريجياً، ليخلق بيئة خارجية عصرية بثبات عملي وإحساس طبيعي غير متكلف.

Sandstone Light presents a soft, powder-like surface where delicate tonal transitions and fine grain texture create a clean and breathable visual field that feels calm, open, and naturally aligned with outdoor environments.

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Sandstone Light	Porcelain Tiles	Matt	Rectified	Outdoor	16

As it expands across flooring applications, Sandstone Light establishes a calm visual continuity, with its matte finish softening contrasts and allowing the texture to settle seamlessly into the environment, resulting in a refined outdoor setting that feels cohesive, open, and effortlessly composed.

مع إمتـداده على الأرضيـات الخارجيـة، يعطي بورسلان ساندسـتون لايـت إسـتمرارية بصرية مريحة، حيـث يخفف السـطح المطفي من حـدة التبايـن وتندمـج تفاصيلـه بسلاسـة مـع المـكان، ليخلـق بيئة خارجية متناسـقة وهادية تعطي إحسـاس بالإتسـاع والترتيب بدون أي تعقيد.

Sandstone doesn't try to stand out—it settles in. Its fine, almost imperceptible grain builds a surface that reads as one continuous field, where light drifts softly across it without interruption, creating a calm visual ground that feels stable, measured, and quietly confident.

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Sandstone	Porcelain Tiles	Matt	Rectified	Outdoor	16

In outdoor applications, Sandstone works as a spatial stabilizer, absorbing visual noise and allowing the surrounding elements to define the atmosphere, while its matte texture maintains clarity and control, resulting in a setting that feels composed, grounded, and intentionally restrained.

في الإستخدامات الخارجية، يظهر بورسلان ساندستون كعنصر يهدئ المشهد العام، يمتص التشويش البصري ويخلي باقي التفاصيل هي اللي تعطي الطابع للمكان. بينما يحافظ السطح المطفي على وضوحه وثباته، لينتج تصميم مرتب، هادي، ومقصود في بساطته.

Cement Look Light is shaped through a layered surface expression, where soft trowel-like movements and faint tonal overlaps create a finish that feels built rather than applied, giving the tile a raw architectural identity that reflects the language of cast concrete and hand-finished plaster.

Product Name	Product Category	Surface Finish	Edge Type	Application Areas	No. of Faces
Cement Look Light	Porcelain Tiles	Matt	Rectified	Outdoor	16

In outdoor layouts, Cement Look Light doesn't behave like a finish—it acts as a spatial extension, where boundaries visually dissolve and the flooring becomes part of a broader landscape, enabling a seamless transition between built elements and open surroundings.

لا يتعامل بورسلان سيمينت لوك لايت في المساحات الخارجية، كتشطيب تقليدي، بل كإمتداد للمكان نفسه، تختفي معه حدود الأرضية بصرياً وتندمج مع الفراغ المحيط، ليخلق إنتقال سلس بين العناصر المعمارية والمساحات المفتوحة.

Cement Look introduces a restrained composition where fine mineral grains and faint linear traces settle into a quiet, tactile surface, giving the material a sense of authenticity that feels grounded, deliberate, and subtly expressive without relying on contrast.

Cement Look floor tiles do not assert themselves as a primary visual element, but instead blend quietly into the architectural setting, allowing light, movement, and mass to express themselves freely, while maintaining surface continuity across outdoor spaces and reinforcing visual cohesion.

بورسلان سمنت لوك للأرضيات الخارجية لا يفرض نفسه كعنصر بصري رئيسي، بل يندمج بهدوء داخل المشهد المعماري ليمنح الضوء والحركة والكتلة حرية التعبير، بينما يحافظ على إستمرارية السطح في المساحات الخارجية ويؤكد ترابطها البصري.
