Saudi Ceramics

Today's bathroom is often acknowledged as an important aspect of the living space. A carefully designed space to feel, create sensations and let your imagination run wild. Relaxation, comfort, & aesthetic pleasure... Saudi Ceramics considers the bathroom a complete space in which design and wellness melt into one. A personalised space that meets all the needs and wishes of every client.

That is why for Saudi Ceramics every project is unique. The most advanced technology and new aesthetic trends are being used to develop high quality, modern products. Exceptional products pass the most demanding quality controls on the market and make this company an international reference.

New trends will continue to be decisive for Saudi Ceramics. New ideas, new designs and new formats create a new concept of the bathroom a space in continual transformation for tomorrows society.

ORYX

ORYX is a brand by Saudi Ceramics offering luxurious sanitary ware for those who are looking for modern solutions elegant look for their bathroom at very cpmpetitive price.

ORYX developed its look & feel, image, brand identity, and visual appearance to stand out in the region and enforce its position in the market.

ORYX is a majestic species of desert antelope which inhabit the Arabian Peninsula and different parts of the African continent. Arabian ORYX is characterized by the White color and harmonious body with beautiful eyes for poets who sings of beauty.
