About us

Founded in 1977, Saudi Ceramic Company is a leading provider of quality building solutions that includes various types of ceramic products (ceramic tiles, porcelain tiles, sanitary wares and accessories), electric water heaters, bathroom fittings, including baths, shower trays, mirrors and mixers. Other products include plastics, red bricks and ready-made bathrooms (Pods).

With over 42 years experience, the Company has gained a well-deserved reputation for manufacturing quality with high standards both nationally and internationally.
Saudi Ceramic Company is the largest manufacturer of its kind in Saudi Arabia and a well-recognised brand.

The company has its own R&D department, that works in order to detect the future needs and to create new processes and products. The implementation of new raw materials; new colors, textures and finishes; technologies that reduce the production costs of the new ink jet systems are part of the tasks performed by our Innovation team.

State-of-the-art investments, quality, customer service and satisfaction are the trademarks of its long term visionary philosophy.
